Are you tired of going through the struggle of trying to create the life of your dreams? If you answered yes to any of those questions, then you are not alone. I struggle with feeling like I can't accomplish the life I want for myself. And, I am afraid that no matter what I do or how hard I work, I will never be good enough. That is why I am taking this journey with you! I am offering my best advice for you. My intention is that by sharing what I have learned, you may find inspiration, guidance, and accountability as you strive to create your best life. My name is Roni. I am a wife and mother and a former leader at a Fortune

500 Company. Through the years, I have transitioned from feeling stressed and overwhelmed to having an abundance of confidence and calmness. I no longer wonder if I have what it takes to be successful. In fact, I now believe that I have so much to offer the world. I am here to help you tap into your own unique talents to create the lives you have always wanted. The present invention is directed to an improved signal generator and method therefor, particularly useful for testing multi-channel printed circuit boards to determine that the electrical connections have been properly made.
