One of the most notable players who will be included in the launch content is Neymar. He is among a select number of players who are the only ones to be playing on a team using HyperMotion Technology. This is the first time that real footballers will be using this game-changing technology, which is the same system that will be used in the acclaimed EA Sports FIFA 16. Further new features and enhancements Smart Speed Controls: Find the speed you like within any game mode or situation and switch between setting with a simple click. Just like your own controls. Ball Physics: The physics of a soft football are fully modeled and the ball behaves naturally on impact with player models. Improved Player Intelligence: Players react in their natural behaviour. Varying levels of player intelligence can be selected for different scenarios - from performance based settings for best-in-class players, to more tactical settings for players with less of a skill-set. New Commentary: Bringing together the best commentaries from around the world in a single package. Enhanced Transition Screen: A new presentation of the player information on the transition screen designed to give you more information about any players that are highlighted on the screen. Quarterback View: Experience the QB position from a new perspective. Full-Screen Field (FSF): New game environment which gives you a wider field to play on, with 4x more space than the previous game environments. Face of the Champions Pack DLC: 11 players from 11 nations will be included with FIFA 22. Brand New Goalkeeper Cam: Improved agility and movement. Enhanced goalkeepers: Improved accuracy and decision making when viewing goalscoring opportunities. One FIFA experience. Play as any player from any league. Learn from your mistakes. Experience the game like you never have before. 19 teams from all over the world will be available from launch. The legendary Cristiano Ronaldo comes to FIFA with 19 new players and 6 new legends joining Ronaldo in the pack. Ronaldo, Messi, Neymar, Kaka, Zlatan Ibrahimovic and Wayne Rooney form the most fearsome attack in the game. While, Ronaldo, Sergio Romero, David Alaba and Mats Hummels are the best defenders in the world and Javier Mascherano, Thomas Vermaelen and Cesar Azpilicueta provide stellar tackling and control in the middle of the park. FIFA FUT 22 brings the best athletes in the

This game will be released on the 19th of September in Australia and New Zealand. Please read the full press release for further information about the game. The United Kingdom's decision to leave the European Union has spurred calls for that country to relax immigration laws, a change that critics fear could put an unintended boost on the hand of Islamic militants and many other terrorist groups. On the more immediate subject of protecting human rights, particularly in the aftermath of the Manchester attack last week, there is a lot to be said for re-evaluating UK policy. Instead of hunkering down and maintaining the status quo, which has for too long been a stultifying response to terrorism, the time for a discussion

### What's new:

- The long-awaited return of "Shoot (or curve) em up". With 8/9/12/14-direct free kicks, Insta-Pot and Insta-Pot Feint the free kick is back and with it are the marks that help players shape their shot.

- The underrated No 11, with a boot and dribbling marker. With your free kicks and corners it is easier to control where your shots are going and have more ideas to dribble with. And not to mention that you can move your marker without touching the ball.
- Teamism: Each school in the US has their own school spirit! Choose your favorite team to match your interests. You can call your own number card with a mannequin. Always keep your color school flag outside at the side of the school. It's a unique way to show your school spirit.
- FC Barcelona: Tipo to win an MVP card for the best player of the EA SPORTS™ FIFA Community Tournament.
- Premium and Ultimate Team Gold have a team of their own: a lucky player who helps out in the midfield. Plus, Ultimate Team Gold has brand new managers! Take advantage of a unique Training and Tactics screen for these new leaders
- FIFA 22 introduces a brand new Player Look gallery for Showcases, kits and more. Tons of Showcase cards and custom match cards are now just a click away.
- More movement animations and commentary lip sync, even more! Commentary cards, boots and short passes have been added to Brazilian and Argentine styles of play.
- The goalkeeper experience has been completely rebuilt for FIFA 22: pass trajectories, man-to-man coverage and off-the-ball movement have all been improved.
- Combine Control finishers and 2vs2 roles.
- Youth Players also have more control in your midfield with the improved Pass Control screen, which gives you control of the midfielder with the ball and that player's body off the ball.
- Outs and Balls: A new option for sideways passes allows you to send a pass sideways, perfect for breaking out into attack.
- More team diversity and identity, with more national team squads, new teams, and more creative stories to tell. Plus, there
